*Proceedings of the Madras Government, Public Works Department,
18th January 1868.*

No. 314. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 27th December 1867, No. 1,438:—

1. In returning the plans and estimate, which accompanied G. O. No. 3,901, dated 17th instant, I have the honor to inform you that the provision of accommodation similar to that made in the wards of the Central Jail for night conveyance has been made in the corner of the apartment for females, as shown in the plan. It is not necessary to enlarge the building, as only a width of 31 feet is taken up for the arrangement proposed, and the raised platform for the beds will not be divided by a passage of 3 feet, as on the opposite side of the room.

2. As Rupees 2 only is required for the latrine, the amount has been provided from the sundries, and the amount* of the estimate has not been altered.

* Rupees 610.

No. 315. ORDER THEREON, 18th January 1868, No. 163.

Under the explanation afforded, the Government sanction the estimate amounting to Rupees 610, for the construction of a Lock-up in the back-yard of the Tahsildar's Cutcherry in Tanjore, and authorize the commencement of the work on the understanding that the cost is adjusted later in the year.
