I have the honor to forward an application for four Constables, as per margin, of the South Canara Police, for compassionate allowance under Section I. of the Police Service and Superannuation Fund Rules.

2. The Constables have served more than seven years and borne good character during the period of their service in the Police. They are now unfit for further service, as shown by the enclosed medical certificates granted by the Acting Zillah Surgeon, Mangalore. I beg to request the sanction of Government for the grant of seven months' pay to each for seven years' service.

3. I beg to enclose a Memorandum, dated 13th January 1868, No. 11, from the Superintendent of Police, South Canara, explaining the cause of retaining Constable Syed Jamal in the service, after he had been certified as disqualified, for the information of Government; and to state that he was reported by the Superintendent of Police to have died subsequent to discharge, and therefore recommend that the allowance may be sanctioned for him to be paid to his heirs.

No. 11.

MEMORANDUM.

With reference to the accompanying Memorandum calling for explanation as to the retention in the service of Constable Syed Jamal, from 30th April to 30th September, the Superintendent of Police, South Canara, has the honor to state

No. 88.

that Syed Jamal* was an old Revenue Peon, and on a previous occasion had been discharged and

recommended for gratuity from the Revenue Department, but the Collector having rejected his claim, with those of some others, on the ground that he had failed to prefer it within five years of his enlistment, he was again re-entered by order of the Inspector General who, however, on a subsequent reference on the subject, ordered his discharge, with a view to his claim being specially considered, and a certificate was obtained from the Zillah Surgeon accordingly; but it was thought inadvisable to discharge him at once before ascertaining fully whether his claim for gratuity in the Revenue Department was valid under the rules of that Department; on inquiry on this point, it was discovered that Syed Jamal's service in the Revenue Department was not sufficient to qualify him for gratuity from that Department, and it was therefore necessary to retain him until he had completed his seven years' service for a compassionate allowance, in case his claim could not be specially considered in the Revenue Department, and thus he was kept on up to 30th September, and when all the necessary information connected with his services was completely obtained, he was discharged with others who had been in the Revenue Department before.

2. The undersigned must, however, observe here that Syed Jamal's disqualification for further service was only his old age, but he was perfectly able to do any light work, such as office guard and attendance in Magistrate's Court, &c., until he was discharged, and only at the time of his discharge he had been attacked with fever, of which he died soon after.
