*Proceedings of the Madras Government, Judicial Department,
21st February 1868.*

No. 259. Read the following letter from the Deputy Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 12th February 1868, No. 360.

Post Audit Department.

I have the honor, by direction of the Accountant General, to point out, with reference to Government of India Order, No. 2597, of the 31st December 1866, that it is very doubtful whether the practice followed in this Presidency, of passing Registration allowance to Covenanted Assistants when acting for Deputy Collectors, is correct.

2. The orders of the Supreme Government sanction the allowances marginally given only when the appointment is held by a Deputy Collector, and as it was ruled by the Government of India

1st Class Districts,	Ruppes 150 per month.
2nd do.	do. 100 do.
3rd do.	do. 75 do.

in their letter, No. 2400, dated 20th September 1866, that a Covenanted Assistant, acting for a Deputy Collector, could not be permitted to draw the currency allowance, which is similar in its nature to that under reference, being local and granted to Uncovenanted Officers, there seems every reason to suppose that the same rule should apply to the Registration allowances which applies in the other case.

3. It is respectfully submitted, therefore, that a reference to the Government of India on this point is advisable.

No. 260. ORDER THEREON, 21st February 1868, No. 297.

Ordered that the Accountant General be referred to his report dated the 18th ultimo, No. 328, with the intimation that should he now entertain any doubt on the question raised in the letter above recorded, it is desirable that he should refer the matter to the Financial Department of the Government of India.

The Chief Secretary to Government.
Sir,

I have the honor by direction of the
Accountant General to point out with refer-
ence to Government of India Order N^o 2597 of
the 31st December 1866 that it is very doubtful
whether the practice followed in this Province
of paying Registration allowances to De-
puted Assistants when acting for Deputy
Collectors is correct.

The Orders of the Supreme Government
sanction the allowances marginally given
only when the appointment is held by a
Deputy Collector, and as it was ruled by the
Government of India in their letter N^o 2400
dated 21 September 1866, that a Covenanted
Assistant acting for a Deputy Collector cannot
not be permitted to draw the Currency allow-
ance which is similar in its nature to that
under reference being local and granted to
un-covenanted officers. There seems every reason
to suppose that the same rule should apply

the Registration allowances which applies
in the other case.

It is respectfully submitted therefore
that a reference to the Government of India on
this point is advisable.

Sir,
