been duly attended to, excepting that the Gumastah's room has not been exclusively appropriated for records; but an additional room has been added to this building on the west side in which records can be kept, and it is hoped that this arrangement will meet the approval of the Board of Revenue.

ENCLOSURE No. 1.—Specification Report.

ENCLOSURES Nos. 2 and 3.—Estimates.

ENCLOSURES Nos. 4 and 5.—Plans.

1. In a letter, dated 11th January 1867, No. 12, the then Collector of the Kistna District suggested, when reporting on the construction of a vault for the treasury in the Talook Cutcherry proposed to be built at Dachapully, that the public bungalow should be fitted up as a Cutcherry, for which purpose it had been used for some time past.

2. The Board, in their Proceedings, dated 1st February 1867, No. 681, accordingly requested the Collector to submit a plan and estimate for converting the bungalow into a convenient Tahsildar's Office.

3. This was forwarded by the Collector with a letter, dated 16th May 1867, No. 145. The estimate amounted to Rupees 7,920, and included the erection of a Subsidiary Jail Treasury and out-houses; and the Board, in their Proceedings, dated 18th June, No. 3,763, requested that a revised estimate might be submitted, omitting the Jail, and placing the Treasury and Guard-room in the bungalow.

4. Several alterations were at the same time suggested, which have, with one trifling exception, been introduced into the estimate now forwarded with the

*Proceedings of the Madras Government, Revenue Department,
20th December 1867.*

No. 378. Read the following Proceedings of the Board of Revenue, dated 14th December 1867, No. 8,059.

Read the following letter from the Acting Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 13th November 1867, No. 404:—

1. In reply to Board's endorsement, dated 7th current, on Proceedings of Government; No. 2,588, dated 2nd idem, I have the honor to inform you that the sole accommodation provided for prisoners, whether under trial or convicted, in the present Cutcherry at Dachapully, is a bath-room of the bungalow $20 \times 7 \times 8$ feet, which is quite unsuited for its purpose. No separation of sexes is provided for, but females are kept when there are also male prisoners in the open under the Treasury Guard.

2. The Board in their Proceedings, No. 3,763, dated 18th June 1867, directed the omission of the Subsidiary Jail in the revised estimate called for by them, but I am not aware of their motive for doing so. Probably the appointment of a Subsidiary Jail Committee had something to do with it.

1. Submitted to Government, with reference to their Order, quoted by the Acting Collector, and with the Board's request that the necessary alteration for converting the Public Bungalow into a Cutcherry may at once be made.

2. The Board's recommendation in their Proceedings, dated 24th October 1867, No. 6,939, was limited to the Revenue building, as they concluded that the Jail accommodation would be left to the Subsidiary Jail Committee.

No. 379. ORDER THEREON, 20th December 1867, No. 3,032.

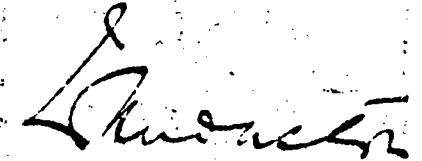

Miscellaneous.

1. The Government sanction the proposed alterations of the Dachapully public bungalow to render it more suitable for the purpose of a Tahsildar's Cutcherry, to which it has for some time been devoted.

2. The necessary orders for the execution of the work will be issued in the Department Public Works, to which the plan and estimates will be transferred.

3. Orders will be issued in the Judicial Department regarding the requisite Subsidiary Jail accommodation.
