From the Superintendent of Port Blair, to the Secretary to the Chief Commissioner, British Burmah ; dated Port Blair, 10th December 1867, No. 63.

I have the honor to submit, for the consideration of the Chief Commissioner, copy of a petition from Convict Nunnemyan, No. 8090, of 3rd Division, Aberdeen, praying for mitigation of the remaining portion of his sentence, on the ground of inability to work in consequence of the loss of his right leg by amputation, consequent on injuries received when engaged on work on board the Hulk *Erin-go-bragh*, in discharging large iron girders for the Barracks at Chatham.

This man was convicted of dacoity and sentenced to seven years' imprisonment on the 3rd of August 1863.

He arrived at this Settlement on the 8th of December 1863, and during his stay here his conduct has been satisfactory, and he is reported on favorably by the Overseer he has served under.

He has up to the date of his application completed 3 years, 11 months, and 13 days of his sentence, and he now prays that the remaining portion, viz., 3 years, and 17 days, may be remitted.

The prisoner having lost his limb in the performance of the labor imposed upon him, and the Government having been pleased favorably to view similar cases, I, therefore, respectfully beg to recommend this petition of Nunnemyan for the favorable consideration of the Chief Commissioner.
