*Proceedings of the Madras Government, Judicial Department,
10th March 1868.*

No. 84: Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 29th February 1868, No. 180.

With reference to the 11th paragraph of the Order of Government noted in the margin, I have the honor to request permission to defer the assembly of the

Judicial Department, 21st February 1868, No. 293.

Committee for six weeks or two months for the following reasons.

2. It is desirable that I should proceed to Madura and Tinnevely at an early date. The new District Jail at the former place is nearly completed, there being little to do beyond building quarters for a Deputy Jailer and Dresser, huts for the Police and Warders, and providing proper drainage. When these have been finished, the labor of a considerable number of trained convicts will be available, and as a new Jail has been sanctioned for Tinnevely, where the existing accommodation is very inferior, I propose to proceed thereto direct from Madura, in order to report upon the site and other matters connected with the proposed new Jail.

3. In the meantime, Mr. Grimes, who is likely to proceed on privilege leave early in April, will have a month, during which he will be able to arrange the details of the new system of Convict servants, for although it has been introduced to a certain extent, there is still a good deal to be done.

4. I will instruct Captain Hankin and Lieutenant Bloomfield to commence the new system at Lovedale and at Rajahmundry, but as Captain Liardet has only very recently assumed charge of the Salem Jail, and has had no former experience in Prison affairs, I think it will be well to defer the change there until Captain Gordon returns.

5. I will place myself in communication with the Officers in charge of the gangs at Vellore, Trichinopoly, and Cannanore, with the view of introducing the system at these places.

No. 85.

To The Honble. R. S. Ellis Esq.
Chief Secretary to Government
Fort Saint George.

With reference to the 11th paragraph
of the order of Government noted in the
margin I have the honor to request
your sanction to refer the despatch of the
Committee for the Jail to the Hon. Secy of the Navy
for the following reasons:

2 It is desirable that I should proceed

being little to do beyond building quarters
for a Deputy Jailor and Overseer, &c &c
for the Police and Madras and providing
proper drainage - when these have been
finished the labor of a considerable
number

number of trained convicts will be available
and as a new jail has been sanctioned
for Simsbury where the existing accom-
modation is very inferior I propose to
proceed thereto direct from Madras in
order to report upon the site and other
matters connected with the proposed
new jail.

3. In the meantime Mr. Pinner who
is likely to proceed on private leave early
in April will have a month during which
he will be able to arrange the details of
the new system of convict servants for
although it has been introduced to
a certain extent there is still a good
deal to be done.

4. I will instruct Captain Harkiss
and Lieut. Bloomfield to commence
the new system at Lovedale and at
