Proceedings of the Madras Government, Public Works Department,
6th January 1868.

No. 70. Read the following letter from the Acting Inspector General of Police, to the Secretary to Government, Public Works Department, dated Madras, 14th December 1867, No. 2,277:—

1. An urgent necessity has arisen for the construction of Police huts at Shannampaddy and Mooddalamuddy in the South Malabar District.

2. A portion of the road between Shannampaddy and Colengode is under repair, and the completion of the work is absolutely necessary for the transport of nearly two lakhs worth of timber, required for the Bombay Marine. But the predatory Muleers, from the adjoining Cochin territory, so annoy the Wudder coolies that they will not work except under Police protection. This protection it is difficult to afford with efficiency, as the Police at the fever-stricken stations of Shannampaddy and Mooddalamuddy are disorganized by sickness. The District and Range Officers strongly urge the immediate erection of five huts for the men at each station.

3. As the money already sanctioned for huts in the district cannot be diverted from South Wynaad, where it is urgently required, I have the honor to request that the sums as per margin, which are available from the Department Public Works Budget allotment in the districts of Ganjam and Madura, may be transferred to the Department Public Works Budget allotment in South Malabar, and that the total sum of Rupees 1,900 thus obtained may be appropriated to the erection of Police huts at Shannampaddy and Mooddalamuddy, to be carried out by the Police Department.
