*Proceedings of the Madras Government, Judicial Department,
13th March 1868.*

No. 122. Read the following letter from the Government Solicitor, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 22nd February 1868, No. 105.

I have the honor to bring to the notice of Government that, with reference to the several Proceedings of Government noted in the margin, and in pursuance of a communication addressed by the Accountant General of Madras, to the Secretary and Treasurer of the Bank of Madras, under date the 15th instant, directing the disbursement of the Rupees 5900, and interest hereinafter mentioned, upon the receipt of the Registrar and Official Trustee of the High Court at Madras, duly countersigned by me, Mr. Ritchie has presented for my countersignature his receipt for Rupees 5900, and interest thereon at 4 per cent. per annum, from the 1st of August 1855 up to the 15th instant, less Rupees 236.

2. Before passing Mr. Ritchie's receipt for payment, I have the honor to request the instructions of the Government as to whether I am to pass it in its present form, or whether the intention of Government was to replace the *corpus* of the Trust funds in 4 per cent. Government paper, and pay the arrears of interest in cash.

3. The *corpus* of the Trust funds, at the time of their misappropriation by Mr. Serle, consisted of two Government Promissory Notes of the 4 per cent. loan of 1842-43 for the aggregate sum of Rupees 5900, as reported in my letter to Government of the 24th of July last, No. 495, embodied in the Proceedings of Government, dated 8th August 1867, No. 1273, above noted; and it appears to me that the justice of the case would be sufficiently met by purchase and delivery to the Registrar and Official Trustee of the High Court at Madras one or more Government Promissory Notes of the 4 per cent. loan of 1842-43 for the aggregate sum of Rupees 5900, the cost whereof, at the current market value, would be more favorable than a cash payment of the sum of Rupees 5900, and by payment to him in cash of the interest, at 4 per cent. per annum, from the 1st of August 1855 to the date from which the Government Promissory Note or Notes so purchased and delivered might carry interest, less Rupees 236.

4. The saving to the Government, if my suggestion is adopted, will be about Rupees 420.

No. 123. ORDER THEREON, 13th March 1868, No. 428.

The Governor in Council approves of the course proposed by the Government Solicitor, viz., that Government Promissory Notes of the 4 per cent. loan of 1842-43 be purchased and handed over to Mr. Ritchie, together with interest on each at 4 per cent. per annum, from the 1st August 1855 to the date from which the Promissory Notes carry interest, less the Rupees 236 paid in 1859, and directs that it be carried into effect without delay.
