Samuel Ventulader Nagade Saron
Principal Suddan Amien Rajahmundry
was suffering at the date of the original
certificate from Intermittent fever
in which I formerly supposed he
has now shaken off both of these troubles
but as he is still weak & unable to
resume his duties I think it desirable
to recommend that he should have
an extension of leave for ten days.

William Arthur M.D. Surgeon
Major, Gillingham Surgeon of Rajahmundry
do hereby certify that Samuel Vataba
Tader Nagade Saron Principal Suddan
Amien Rajahmundry is in a bad state of
health and I solemnly & sincerely declare
that according to the best of my judgment
an extension of leave is especially necessary to his
recovery & that the circumstances of his case
are such as to render leave of absence
for the period of ten days highly desirable.
