*Proceedings of the Madras Government, Judicial Department,
17th March 1868.*

No. 179. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 3rd March 1868, No. 184.

With reference to the Order noted in the margin, I have the honor to state that although the employment of convict servants will allow of a very considerable reduction in the number of paid Warders, it will not admit of their being dispensed with altogether. The present establishment of a Central Jail of the first class consists of five Head Warders and forty Warders. The Superintendent of the Central Jail, Coimbatore, proposes to reduce the number of the latter to twenty, being one-half, and it may be possible hereafter to make a still further reduction; but in the meantime it is desirable that accommodation for a certain number of Warders should be provided at the Central Jails at Rajahmundry, Vellore, Coimbatore, and Trichinopoly, where the distances from the towns are considerable. I therefore recommend that huts for two Head Warders and ten Warders may be erected at each of those places at an early date.

No. 180. ORDER THEREON, 17th March 1868, No. 464.

Under the circumstances stated in the foregoing letter, the Governor in Council sanctions the erection of huts for two Head Warders and ten Warders at the Central Jails at Rajahmundry, Vellore, Coimbatore, and Trichinopoly.

2. The necessary orders will be issued in the Public Works Department for the erection of the huts at an early date.
