Proceedings of the Madras Government, Judicial Department.

18*th March* 1868.

Read the following papers:—

No. 192. From S. R. DAWES, Esq., Acting Judge of the Small Cause Court, Masulipatam, to the Chief Secretary to Government, Fort Saint George; dated Madras, 11th March 1868.

With reference to my appointment to act as Judge of the Small Cause Court at Masulipatam, I delivered over charge and proceeded to Madras to ascertain whether a steamer or sailing vessel is available to convey me to that station, but no such opportunity seems to offer itself at present, and doing the journey by land I shall be expected to arrive at Masulipatam on the 3rd proximo. On this date there will be the steamer *Mahratta* proceeding from Madras to the Northern Ports, and were I permitted to take my passage by her, I shall be able at the latest to assume charge of my Court at Masulipatam on the 5th idem. The sanction of Government will, however, be necessary for the extension by two days of the period allowed for joining my station.

2. From information received I am apprehensive that, were I to travel by land, I shall be delayed by the way, owing to bad roads and want of cattle at certain stages. In order to obviate such a contingency, and adverting to G. O., requiring public officers to avail themselves of the most expeditious route possible, I beg to request that I may be permitted to proceed to Masulipatam by the *first* steamer sailing from here.

3. I shall take it a favor to have early orders passed on this application, as, in the event of the Government not acceding to my proposal, I shall be obliged to return to Cuddapah and proceed thence (it being a nearer point than Madras) by road to Masulipatam.

Referred to the Accountant General for report.

Secretary to Government.

No. 192A. MEMORANDUM.

The undersigned has the honor to report that if the British India Steam Navigation Company's Steamer which plies between Bombay and Calcutta, and which is expected at Madras on or about the 15th instant, touches at Cocanada, Mr. Dawes should proceed by her to that port and there await the steamer which is expected from Rangoon and take passage to Masulipatam, where he will thus arrive about the 26th instant. But should the steamer, which is expected at Madras about the 15th, not touch at this port, Mr. Dawes may then be permitted to defer his departure until the sailing of the next steamer about the 3rd of next month, if Government are satisfied that the obstructions to his proceeding by road direct from Cuddapah, respecting which this office has no information, are such as will delay his arrival at his station beyond the date at which he will reach it by the above-mentioned steamer.
