Proceedings of the Madras Government, Judicial Department,
19th March 1868.

No. 207. Read the following letter from the Acting Civil Judge of Bellary, to the Chief Secretary to Government, Fort Saint George; dated Bellary, 29th February 1868, No. 1.

In their Order, dated 7th May 1867, No. 1376, the Government sanctioned Rupees 655 for the repair and improvement of the Moonsiff's Court at this station. Nothing having been done to the building up to the 15th instant, I requested the Superintending Engineer to inform me when the repairs were likely to be carried out, and in reply he states that no funds have been allotted for the purpose.

2. During the last rainy season, owing to the dilapidated condition of the roof, the work of the Court had to be carried on under great difficulties, the rain pouring in in every direction, whilst property attached in satisfaction of Decrees was exposed on the open plain, outside the Court-house, to all the vicissitudes of the weather, owing to there being no room to stow it under shelter.

3. Under these circumstances, I have the honor to request that if the sanctioned repairs and alterations cannot be carried out before the end of May, I may be permitted to rent a building for the Moonsiff to hold his Court in, until such time as the regular Court is rendered habitable.

No. 208. ORDER THEREON, 19th March 1868, No. 482.

Ordered that the Acting Civil Judge of Bellary be informed that the requisite funds will be allotted in the Public Works Department, and that the improvements to the Moonsiff's Court at Bellary will, in all probability, be completed by the 31st May next.
