twelve months a sum of Rupees 121-12-0 in excess of his pay, and that he has now been called upon to repay the whole amount, Rupees 1360, at once, and praying that he may be allowed to repay it by instalments, equal in amount to the sum he over-drew monthly.

2. As so heavy an unexpected a retrenchment is more than Captain Caulfield can be expected to meet by a single refund, and as the bills passed unchecked for so long a period, I beg to recommend that the indulgence sought may be granted.

From Captain Sr. G. CAULFIELD, Acting Assistant Superintendent of Police, 1st Class, South Malabar, to the Assistant Inspector General of M. Police; dated Palghat, 4th March 1868, No. 5.

With reference to the retrenchment of my Military pay proper, Rupees 121-12-0, for the last twelve months, amounting to Rupees 1360, and which sum the Deputy Collector, Calicut, has been directed to recover from me (cash), I have the honor to bring the following facts to your notice.

In January 1867, on being appointed 1st Class Assistant Superintendent of Police, I went in person to the Civil Pay Office at Madras, and was then informed that I was entitled to draw the sum of Rupees 500 per mensem, Civil pay.

I then proceeded to the Military Pay Office, and was informed that, as a Captain in the 108th Regiment, on Civil employ, I was entitled to draw the sum of Rupees 121-12-0 monthly, this being the amount of my Military pay proper.

Under these circumstances, I most respectfully request permission to repay the amount by the same instalments as it was drawn, viz., Rupees 121-12-0 monthly.
