FROM

E. C. BAYLEY, ESQUIRE,
Secy. to the Govt. of India,

TO

The Secretary to the Govt. of India

SIR,

Fort William, the 12th February 1865.

RE FERRING to the Return enclosed in your letter of 11th January, in the margin, of the number of criminals sentenced during 1864 to imprisonment for terms of 7 years and upwards, and to transportation under Section 59 of the Penal Code, and the number sentenced to transportation for periods exceeding 14 years, I am directed to forward copy of a Statement embodying the results of similar Returns from all the Governments and Administrations throughout India.

2. I am to invite attention to the diversity of practice which evidently prevails in the Sessions Courts of the different Provinces. In Bengal, for example, 819 prisoners were sentenced to transportation for seven years, whereas in the North-Western Provinces only one prisoner was so punished.

3. The Governor General in Council considers it desirable that the last column in the Statement should show the real effect of the order restricting transportation to prisoners sentenced to 14 years and upwards, and accordingly directs me to request that, in the preparation of future Statements, the following heading may be adopted for column 7 in substitution of the one originally prescribed:—

"Number of persons sentenced to transportation for 14 years and upwards."

I have the honor to be,

SIR,

Your most obedient servant,

E. C. Bayley

Secy. to the Govt. of India.
