*Proceedings of the Madras Government, Public Works Department,
25th March 1868.*

No. 571. Read the following Proceedings of the Madras Government in the Judicial Department, dated 17th March 1868, No. 464:—

Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George, dated Madras, 3rd March 1868, No. 184.

With reference to the Order noted in the margin, I have the honor to state that although the employment of convict servants will allow of a very considerable reduction in the number of paid Warders, it will not admit of their being dispensed with altogether. The present establishment of a Central Jail of the first class consists of five Head Warders and forty Warders. The Superintendent of the Central Jail, Coimbatore, proposes to reduce the number of the latter to twenty, being one-half, and it may be possible hereafter to make a still further reduction; but in the meantime it is desirable that accommodation for a certain number of Warders should be provided at the Central Jails at Rajahmundry, Vellore, Coimbatore, and Trichinopoly, where the distances from the towns are considerable. I therefore recommend that huts for two Head Warders and ten Warders may be erected at each of those places at an early date.

1. Under the circumstances stated in the foregoing letter, the Governor in Council sanctions the erection of huts for two Head Warders and ten Warders at the Central Jails at Rajahmundry, Vellore, Coimbatore, and Trichinopoly.

2. The necessary orders will be issued in the Public Works Department for the erection of the huts at an early date.

(True Extract.)

Secretary to Government.

CIVIL WORKS, No. 54.

Communicated to the Superintending Engineers of the 1st, 4th, 6th, and 7th Divisions, for information and guidance.

2. The huts for Head Warders and Warders should be built on plans similar to those for Head Constables and Constables respectively.

3. Separate orders will be issued regarding the Warders' huts required at the Rajahmundry Central Jail.

4. His Excellency in Council sanctions an outlay of Rupees 7,143 on the construction of two* Head Warders and ten† Warders' huts at the Trichinopoly Central Jail. The construction of these

buildings should be at once proceeded with.

*Proceedings of the Madras Government, Public Works Department,
25th March 1868.*

5. Plans and estimates should be submitted at an early date for the huts required at Vellore and Coimbatore.
