*Proceedings of the Madras Government, Public Works Department,
1st April 1868.*

No. 9. Read the following letter from the Acting Inspector General of Police, to the Secretary to Government, Public Works Department, dated Madras, 16th March 1868, No. 743/441 :—

1. In forwarding the accompanying estimate for the repair of the Police Hospital at Ongole, together with a letter from the Superintendent of Police, Nellore, I have the honor to recommend that the expenditure proposed by the Superintending Engineer should not be Rupees 1,005.

incurred, but that the remaining materials of the Police Hospital, which is no longer required, should be sold.

2. The rooms in the large barrack, formerly used by the Telegraph department, answer all the purposes of a Hospital. It is not likely that a Telegraph Office will be re-established at Ongole, as only one message was despatched from that station in twelve months.

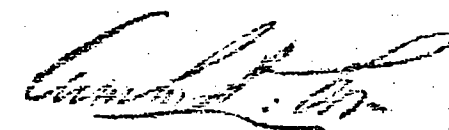

3. I recently saw the Police Hospital at Ongole. It was constructed in 1865, at a cost of Rupees 1,780, and is now to all appearance in a simply ruinous condition. This fact speaks for itself.

No. 10. ORDER THEREON, 1st April 1868, No. 1,033.

CIVIL WORKS No. 2.

The sale of the materials of the Police Hospital at Ongole is sanctioned, but the Superintending Engineer of the 2nd Division will be requested to report more fully the causes which have led to the present ruinous condition of that building, and the names of the officers who superintended its construction.
