Tinnevely, Civil Court

29th February 1868.

From

R. B. Swinton Esq^r 293

Ag. Civil Judge of
Tinnevely.

To

The Honorable R. J. Ellis C. B.

Chief Secretary to Government
Fort St. George.

Sir,

1. I have the honor to request to be
allowed to ask that the attention of Government
may be directed to the reply from the Judge of
this Court under date the 5th May 1866 to the
circular letter of the Honorable L. C. Innes
under date the 22nd November 1865 to all the Judges
calling upon them at the request of the Madras
Government to furnish information for the
preparation of a revised scheme of Establish-
ments of Courts in the Provinces.

2. The pay of the servants of the Civil
Court is now what it was in 1843, while that
of the Revenue servants on the establishment of
the Collector has been increased. The necessities
of life are dearer than formerly and other
occupations connected with the Police, Execu-
tional departments have become fewer, while

the profession of a Yakul especially has great
attraction. The Government having before it,
the replies of all the Judges, but only upon
the necessity of an increase of pay but no
reduction. (Should there have been any such
recommendation) a reduction of the number
of an establishment, I will not comment
upon. Mr. Child's letter further than to say
that he does not seem to have proposed a
sufficient increase to the pay of the Magist
of the Civil Court, with whom in theory
is the most important duty of carrying
out the execution of decrees. That occasion
when at Madras to reply to a somewhat
similar requisition from the Registrar of
the High Court made at the request of
Government with reference to the small courts
Court establishments and especially recom
mended that the pay of the lower paid
servants, peons and goormastis should be
increased.

I have the honor to be
Sir,
Your most Obedt. Servant

R. Hunter

for Civil Judge.
