Read the following :—

No. 129. From Surgeon H. ADAM, Civil Surgeon, Vizagapatam, to the Acting Magistrate of Vizagapatam; dated Vizagapatam, 28th December 1867.

A patient, by name Mangala Sawmigadu, received into this Hospital on the 6th October, by order of Government, dated 14th September last, on a letter of the Acting Magistrate of Kistna District, having never since receipt shown signs of imbecility nor mental excitement requiring the smallest medical treatment, nor indeed supervision or care, and his condition having been attested to by yourself and the Deputy Inspector General of Hospitals of this District, I have the honor to request that measures may be taken as will lead to his removal from the Asylum, that accommodation may be found for patients from other Districts for whom treatment has been represented as emergently necessary.

To the Acting Magistrate of the Kistna District, who will be so good as to furnish the necessary instructions regarding the Lunatic Mangala Sawmigadu.

(Signed) J. H. MASTER,
Acting Magistrate of Vizagapatam.

No. 4.

Submitted for the orders of Government, with reference to Proceedings, Nos. 1376 and 1497, dated 23rd August and 11th September 1867, respectively.

2. The fits of madness to which Mangala Sawmigadu is undoubtedly subject are, according to my information, the result of excessive indulgence in bhang, to his enforced abstinence from which his present improved condition may be attributable. He has been already reported harmless, but his friends declined to be responsible for him. His wife, Lutchmeedevce, has this day appeared before me and expressed herself willing to take care of him, and states that, beside herself, there is no one else to do so. I recommend his being released to her care.
