Telegram from the Inspector-General of Police and the District Magistrate of Salem, to the Chief Secretary to Government, dated 5th September 1882.

Your telegram regarding Police Act. Meeting this morning of several officials. We do not think it practicable to name streets. More information comes in more it appears that whole town is involved directly or indirectly in recent affairs. Only persons free from blame throughout are Eurasians and Europeans who cannot be localized. Moreover in same street more than one class. We think area named should be in gross. Going beyond what we said yesterday we would specify in notification an area of five miles round Collector's Cutcherry, Salem.

ORDER—dated 9th September 1882, No. 1255-A, Judicial.

The Right Honorable the Governor in Council resolves to issue the following Notification:—

“It is hereby notified under Section 1, Act No. III of 1882 (Madras), that the Right Honorable the Governor in Council has sanctioned the employment of the undermentioned Police Force to be quartered within the Municipal limits of the town of Salem, and that the inhabitants of the said town will be charged with the cost thereof, viz.:—

INDIA OFFICE, LONDON,  
24th March 1881.

No. 1 [Current No. 1218].

SIR,—I have to acknowledge the receipt of the Despatch of your Excellency's Predecessor in Council, dated 8th October last, in which His Grace recommends that Mr. Tiruvarur Muttuswami Aiyar, B.L., C.I.E., who is at present officiating as fifth Judge of the High Court of your Presidency, should be confirmed in the office of permanent fifth Judge of the Court. I have likewise received a Despatch from the Government of India recommending that the appointment of the gentleman referred to as officiating fifth Judge should be regarded as a temporary arrangement until experience may show how far the new Presidency Small Cause Courts Act shall relieve the High Court of the pressure of business.

2. Both of these Despatches have been considered by me in Council, and I have arrived at the conclusion that it is expedient to adopt for the present the course recommended by the Government of India, and to consider the office of fifth Judge as being on a temporary footing, until the desired experience shall have been obtained.
