Re/
Shahbudin Khan }
Caboola. }

I have the honour further to
report in continuation of report
of 8th July 1887:-

This individual seems a mere adventurer
of no means or status. Boastful and not
apparently truthful. Information has
been obtained that when travelling on
the Railway coming here he represented
himself to some respectable native fellow
travellers as an Ambassador or delegate
from Russia, accredited by the Tsar,
and now en route to the Seat of the
Madras Government on an important
mission. He talked freely of the Russo-Turkish
war - Serbian war - Russo-Turkish war.

As though he had taken an active part
in these affairs. but he is probably only
seeking to increase his apparent
importance for his personal advantage.
The result of inquiries makes it very
doubtful if his war and other experience
is really so wide as he represents.

2. He had three requests to make here
1st that I would give him letters of
introduction to influential persons
in Hyderabad. 2nd that I would
give him similar letters for use at
Dolacannud. 3rd that the
stringency of the surveillance to which
his countrymen (Kabulis) are subjected
by our Police might be relaxed.
None of his requests could be granted.

3. He has now rather suddenly left
Madras, it is said for Calcutta. He
left by the mail train yesterday
Evening (Friday) 8th inst. He will
probably try to impose on some of
the wealthy Zemindars. The
District Magistrate will be informed.

4. A reference has been made to

Hyderabad regarding this individual.
5. A descriptive Roll is also enclosed
for information.

Shall be honour to be
Sir,

Your most obed^t. Serv^t
