Madras 27th August 1887.

My dear Stokes

On 5th July I reported receipt of a Confidential letter from Calcutta regarding one Ibrahim bin Yusuf a Jew suspected to be a foreign spy. The man arrived here the same day I got the letter and left the same evening for Cochin via Shoranoor, at least he took a ticket for Shoranoor. I at once communicated with the Malabar Police Superintendent. (2nd July) got no reply. On 12th July reported that another Jew this time from Bombay, a man of many languages who said he was a native of Stambul - also came and followed Ibrahim (who called himself Ibrahim Shafeera) Hearing nothing further I wrote again on 4th of this month (Aug.) and asked for news of the travellers. Today received a note from Mr. Egan forwarding a report from the Inspector at Cochin saying that no such man had arrived and that no stranger had come there a watch being kept. If this be so these men have doubled on us. If the Malabar Police had reported earlier I would have followed up these wandering Jews at once. However I'll find out if they are in our Presidency yet. Keep quiet.
