City Police Office,

Madras 5th September 1887

My dear Stokes

The Jew Ibrahim bin Yusuf.

Original report
of 3.7.87

In Continuation of D.O. of 27th August last:-

I sent a man to Cochin. He found the Jew Ibrahim there all right. He is employed as a Priest and Teacher at Rs. 20/- and goes also by the name of "Isack Shafeera". Lives at a part of the town called Garoonavarum.

He was pointed out to the local Inspector. This Jew has some passport or certificate signed by a Native Magistrate Subroyalu Rayudu.

I was afraid the man had doubled back and that his railway ticket to Shoranoor was only a blind.

The Cochin Inspector was quite sure that no such man had come there.

I do not think there is much harm in the creature. so long as he stays at Cochin.

Yours sincerely
Mildew

The Calcutta Police seem to have been in
Correspondence with the Punjab Police
about this man - He is said in the Punjab
Report to be a native of Bagdad. Here he
is said to be a native of Cochin which place
he left four years ago - He is said also to be
a polyglot - Speaking English, French, Russian,
Arabic, and Persian.

I think I'll send one of my own men on
his track. He may be harmless but it may
be as well to know exactly where he is.

I'll write again if I hear of him. I write
now in case you may have had any enquiries
to answer on the subject.

Cordially

Mellor.
