CHIEF SECRETARY
10 DEC 28
GOVERNMENT OF MADRAS

Referring to your D.O. letter

of 21st July 1888 and to para 5. G. O.

15. Sept. 1888 No 1970 Just. I am now

glad to report that the Maharajah has
consented to receive Permacath Puncture

as his servant, in place of Apple Row.

The Mahabajith is much afraid that Appa Rao will strive to do him harm by retaining in his possession certain

by retaining in his possession certain
important papers which relate to his

into with Madgole & Singphar -

Appear himself is so ill that he

not to attend to business,
- fact the real plotter is Bakham
out, who lives with Appa Row at
Chiracole - the former being, as you
know Sub-Sheristadar in the Sub-Deputy
Office at that place.

I have asked Worsfall to examine Bakham
and Idarasingh, with, if possible, comply
with my request. If he were transferred
to some distant locality it would not
strengthen my hands.

I have advised the British Rajah
to send one of my officials to Chiracole
to demand the papers from Appa Row,
and in view of proposal made by the Rajah
to employ Appa Row as Amildar, I have
suggested that he might be allowed
a pension of Rs 100 a month, ^{so long} ~~as~~

he remains faithful -
I have not yet had time to answer
to these latter suggestions -
with regard to the terms proposed by the British
and desired by Prannich they are as follows:-
The former agrees to give the latter to accept
Rs 500 a month as pay, exclusive of travelling
allowance at Rs 5 a day, and exclusive
also of pensionary contribution -
The latter asks that the engagement may be
for 5 years, after which period it shall
be at the option of either party to continue
the service or not. During this period the
British Rajah is not to be to dispense with
the service of the British Rajah except on proved
established dishonesty or irregularity
which should be decided by the Agent to the
Government.

is a reasonable
and unreservedly give the
responsibility for directing the
Interview. Finally, Purvich requests as a
favor that he may be confirmed as by
Colo. & be made permanent by Colo. while
serving the State Dept. as Deacon. I
mentioned this point to Galtier when I was in
Madison & he pointed out that Purvich was
with him to others who had claims - but perhaps
the point may be conceded later on -
The only point that the thought of is - has
the with this arrangement with Purvich affects
the contingency of the State Dept's decrease in
consequent assumption of the duties of Govt. &
hunter for the heirs - The with will come under the
unless it is specially made over to the Govt. for the
does not belong to the agency - As to the, when
if this occurs, Govt. must make a provision of so,
kind of a sub-let in charge of the whole State
is in this case with it he perhaps says Purvich
a, Rostov. I think if he proves himself of color
it will be not too much to pay him.

FOR ORDERS.

The D^r Coll^r may it is presumed - be lent & India's sanction requested.

Rs. 500 p.m. & t.a. seems not unreasonable, but the 5 years' agreement is, it is sub-
mitted, absurd. There is no doubt that Mr.

Turner has been using all possible pressure on the Maharaja to take the man, & it is rather hard that the Maharaja should be bound to keep him for 5 years. It is not so that the Maharaja has consented to this condition.

The favour sought is one for the Revue
Sept. to deal with. P.D. seems to be
lying for considerably good known all
round.

12 Dec.

I work 500 Rs. is not too much. It is
very important that there should
be a good man in Purniah as Dwa
other advantages speak an appl.
outweigh beyond comparison the
consideration against sending for
servants which dilutes the second
order in the budget. This should
be referred to India in the
application for sanction which
should now be made.

4. 15 Dec

The terms are for the Maharaja. If
he binds himself so much the better.
Purniah must understand that
the Government retain the power of
ordering him back to his country when
ever they think fit. This will
sufficiently meet the contingency
of the Ruyar's decease during the
term. If he does good work in Jy-
pore, the question of granting him
as D^r Coll^r according to his services
will be considered. In the climate

but of course they won't do so as long
as he does well.
