persons - some were thrown and the prisoners rescued - some of the prisoners were injured - 23 rioters were here identified and subsequently arrested and are under trial before the District Magistrate. The accused are ordinary villagers of several castes - Popular sympathy with the movement was the only cause of the trouble.

5. Criminal classes, any unusual gathering or movement.

4. There was some excitement among the Hindus. Violence and others - at Kundlup.

in the Bellary district, owing to the Inspector there Pillai Mahomed Kabi Sahib - having, on Feb 29 conducted a procession with a green flag through the town - the flag being subsequently found on a tree close to the town - The Inspector represents that the procession was held in honor of Mr. Wallis, immediate successors of Mahomed Ahmed Meerut, was held sacred by family - The procession is said to have been

annually -

The Superintendent had the green flag removed -

There is no doubt that the Inspector's conduct was a piece of over-bearing Mahomedan bias which might have led to serious disturbances - I have named Mr. Meerut from the District - he has put in nearly 25 years service and will shortly retire -
