Confid. No. 311

From Asst. with Govt.

Dated 13. July 1897.

FOR ORDERS.

I think that the Police & magistracy should be perfectly neutral as between the existing & the Ex Mahant and should confine themselves entirely to keeping the peace. Mr. Le Fanu should be so informed & if the orders to suppress the new Mahants to which Mr. Agar refers emanate from the Dist Magt that officer should withdraw them. It is immaterial to Govt. who is Mahant, if the Bairagis can make true make Mahant let them do so subject to the control of the Court.

Concur 14/7
1897. LHS
Order should be issued, I think.
LHS I concur
w/
16 July.

Col. Jackson tells me that Mr. Le Fanu is strongly opposed to the restoration of the Ex Mahant.

13 July.
