MEMORANDUM No. *1251* dated *22^d August 1893.*

REFERENCE—

No. , dated

189

In continuation of this office *10th 9/1892*, dated *18th August 1893*, *Mr. Mills* is informed that his journals as Supt. of the District Jail Palamcottah, and the Gatebook of that Jail for the same period have been examined. Most of his journals are missing, but in those that are available the same discrepancies as to the hours of his entering and leaving jail appear as were noticed in regard to the Bangalore and Trichinopoly Central Jails. A statement of these discrepancies is appended, and he is directed to submit any explanation he may wish to offer.

forwarded by him from Trichinopoly in
compliance with this office telegram, dated
9th August) there is evidence that the
figures have been tampered with, and have
been altered so as to make them accord with
the Isate book or so as to make the discrepancies
between Isate book and Journal less marked.
The cases where this appears to have been done
are specified in the statement. Mr. Mills
should state what he has to say on this point.

4. It is unnecessary to draw Mr. Mills'
attention to the seriousness of the matters on
which explanation is now called for. He will
see that they lay him open to a charge

(1) of making false entries in his
diary showing himself to have spent
a longer time in the jail than he
spent there in reality.

(2) of subsequently altering these
entries in order to conceal such
falsification.

5. In his reply Mr. Mills will state
clearly:—

(1) from what source or in what way
he obtained information as to the
hours at which he entered and left
the jail. Did he observe them himself.

Current No. 3845 of 1897, dated 7 Sept from The S.M., Malabar.

Order 27 September 1893 No. 1990

It is now more than two years since Mr. Varada Rao was reduced to the position of Asst. Collector & Mag. & during that period he does not seem to have materially improved as a judicial officer.

The Collector indeed expresses satisfaction with Mr. Varada Rao's work as Chairman of the Calicut Municipality but the facts referred to in G.O. of 16 Sept. 1893, No. 912, tend to

show no means indicative of successful administration. The Govt. desires that Mr. Bradley will give explicitly his reasons for regarding Mr. Varada Rao's conduct in the Chairmanship as satisfactory.

As matters stand H.E. in C. considers it impossible for the present to restore Mr. Varada Rao to the grade of Head Asst. Collector.

Letter Col. & S.M. Malabar 194

Pub. Dept. 10

Mr. & Mrs. J. Parson C.S.E.

Respectfully with reference to H.E.'s remarks.

21 Sept. 21/9/93

I don't quite understand H.E.'s last remarks. Mr. Bradley has not expressed the opinion that Varada Rao is evidently still unfit for promotion. We have I think sufficient evidence that he has not succeeded as municipal chairman and he has not improved as a magistrate. The discrepancy between the facts known to us as to the municipal admin. & Mr. Bradley's opinion may be pointed out.

23/9

His Ex. the Govt. does not say that Mr. Bradley says so - this H.E.'s own opinion.

States in Mr J. Varada

worked fairly well
during the last six
months.

There is so much discrepancy between Mr Bradley's
expression of dissatisfaction at Varada Rao's conduct
as chairman of the Calicut Municipality, & that
of my hon. colleagues in consequence of information
supplied by the L. & M. Dept. as to payment of
instalment of Govt. loans, that I should like Mr.
Bradley to be asked to be more explicit, & to give
reasons for his expression of dissatisfaction with V. R.

in his capacity as
Municipal Chairman. May be
the facts as known to us, and asking him, in the
face of these, For Orders, whether he still
adheres to his opinion. ⁱⁿ ^{12 Sept}

Mr. Varada Rao has not as yet
been a success as Muni. Chairman.
He has mulct the collections
in Calicut very much and thereby
got the Council into financial
difficulties for a time.

It is more than two years since
Varada Rao was ordered to the position
of Assistant Comr. May. He does
not seem to have materially im-
proved, especially as a Mayor. As
municipal chairman he has not
been a success. He has allowed the
instalments of Govt. loans to fall
in arrear, so that it is a question
whether Govt. will not have to attach
the muni. funds. I think it
is quite the territory him to

argument is a non sequitur,
but I have no doubt as to
the man's being guilty of
criminal trespass and theft,
and ascribe Mr. Varada Rao's
mistake to an error of judgment.

reason to find fault with his
decisions. In one, he sentenced
a man to imprisonment for
theft upon no evidence whatever
except a confession made by him
to his employer, an European
gentleman, after his arrest
by the Police and while he was
in their custody. I have no
doubt that the man was guilty
and that the confession was
voluntary, but it was not
evidence under the Act.

3. In the other case, Mr. Varada
Rao convicted a man of
house breaking for having climbed
the fence of a timber yard and
stolen a piece of timber therefrom
by throwing it over the fence
and climbing over after it.
There was no gate to the yard.
I asked for an explanation
and Mr. Varada Rao argued
that the yard was a place
for the custody of property, that
it was entered and left
by climbing the fence and
that the man had held
