Remarks.

Has just completed tests for promotion to grade of Assistant Superintendent and been recommended to act as Assistant Superintendent of South Arcot. Active, intelligent and fairly educated. Promises well.

An intelligent fairly educated young officer. Failed (badly) in the Departmental test at last examination, July 1893. Has one more chance (January 1894) within his probationary period of two years and will probably pass. Not having completed tests is ineligible for promotion to Acting Assistant Superintendentship.

His answers in the Departmental Examination (July 1893) agreeably surprised me. He passed fairly well, but he failed in the Evidence Act. So has not yet completed his tests and is therefore ineligible for promotion to Acting Assistant Superintendentship.
