To

The Hon'ble J. F. Price,
Chief Secretary to Govt:
Madras.

Sir,

With reference to para 9.

80 2356/15-11-93
my letter dated 7 October 1893
I have the honor to forward
herewith the records in Calendar Cases
nos 36 & 58 of 1893 on the file of the
Assistant Magistrate Mr. Varada Rao.
A copy of the High Courts orders in
the cases is also enclosed. The
Tamil records have not been
translated as Mr. Varada Rao's
notes are tolerably full.

I have the honor to be,
Sir,

Your most obedt. servant,

V. Rajagopalachari

The conviction of the accused in case no 58 of the
offence of mischief is clearly bad, as there is no
reason to suppose that there was any intention to
injure the bullock or knowledge that such
injury was likely to be caused.

As to the 2^d accused in Calendar no 36, the fact
no complaint being made till the next day
supports the accused's plea and the evidence of
his witness to the same effect that the bullock
was taken by him with the consent of the com-
plainant.

The convictions and sentences in both
cases are therefore set aside and the fines, if
collected, will be refunded.

FORT ST. GEORGE,

Nov. 23^d 1893.

My Dear Mac Cartie

H.S. was speaking
at Council last Tuesday about Mr. T
Parada Rao and the question of doing
existing difficulties about him -
allowing him to go into the Asst. Supt.,
- if that Dept. will take him -
Mr. J. P. R. interviewed me on Tuesday
afternoon. He seemed very much left
handed than when I last saw him.

represented to me was that
the Chairmanship of the Church
Committee. The change of the Treasury and
other jobs of sorts he had so much
to do in his present position that
he could not find time to attend
properly to his ministerial work and show
that he was not so bad as he seems
in that branch of his work.

He asked that he might be sent to
a district where he would have more
opportunity for ministerial work - begged
that he might have charge of a
taking even to show that he could manage
it and that his ministerial powers
(1st class) might be restored.

I told him that the proper thing was
for him to write up through his Colleague

but he begged me to write up through
he brought to the notice of Mr. and I can
write to you as I thought that it was better
as well not to force him to come up as
a suppliant through the Colleague's Office,
where every clerk would see what the
deed.

He says that if all hope of ever being
restored is gone - he can take no more
from 2 years of degradation now - his only
chance is to try for the Arch. Deacon.
I think he has had a real sickness
and will in future try to do his
best. He has lost all the "side"
of which he had at one time an
abundant stock knocked out of
him and has now very probably
for some time
Yours sincerely
Redmitch
