SIR,

In pg 16 Government endorsement No. 492 dated the 6th instant on O. dated 1st February 1895, No. 152 Mc. receiving the Vizagapatam Municipal Budget for 1895-96, I have the honor to report that I entirely approve of the resolution passed by the Municipal Council referred to in para 45.

* vide para 3 of the Dpty letter in G.O. 5-10-92 No. 1035, Jail, misc.

2. The present arrangement under which the Bench clerk should work 3 days a week in the Local & Municipal Magistrates' office and the remaining 3 days in the Municipal office has not been found advantageous inasmuch as the clerk is devoting all his time to the Municipal work, the file of the Bench Court becoming heavy.

c vide para 2 of same letter as above

3. The Vizianagram Municipality foreseeing this difficulty decided utilised the services of the Bench clerk on condition of contributing half of his salary and the clerk was placed at the entire disposal of the Bench court, his salary being fully paid from provincial funds. The

4. The file of the Vizagapatam Sr Court is always heavier than that at Vizianagram the figures noted in the margin* shew and I see no reason why the concession shewn to the Vizianagram Bench should not be given to that at Vizagapatam also. The existing arrangement was made under the impression that the clerk had only to attend the Bench on the days on which it meets, viz; 2 days in a week. Besides attending Bench the clerk has to prepare and dispatch summonses the Diary and extracts from the Summary trials roll, prepare and submit periodical registers and returns & do other miscellaneous work connected with the Bench work. On the average he has to arrange for 12 cases at each sitting of the Bench Court.

5. Under these circumstances Cg to recommend that the whole salary of the Bench clerk be paid from provincial funds and he be wholly attached the local & municipal offices leaving the Municipality to appoint a separate clerk's office leaving the Municipality to appoint a separate man out of the savings effected by withdrawing the moiety of the salary which it is now contributing.
