SIR,

Enclosures.

I have the honor to submit for the orders of Government a proposal from the District Superintendent of Police, Anantapur, for an increase to the strength of the Police station at Kalyandrug and for the opening of a new station at Uttmakur in the Anantapur District.

2. Since Kalyandrug has been formed into a separate Taluq, there will be a regular Treasury there, and also a regular remittance of treasure from Kalyandrug to Anantapur. As regards Kalyandrug at present the strength is 3 Head Constables and 19 Constables

These are employed thus

Treasury	1	Head Constable	4	Constables
Railway Orderly	1	do	"	
Serving Process	"	"	1	do
Magistrate	"	"	1	do
Escort, Beat, Detection	1	do	13	do
Total	3	do	19	do

There are seven beats and three ghats to be attended to which leaves only 4 men for escort and detection and filling up vacancies. This is not enough. The Treasury guard must also now be increased to the regular strength for a Taluq Treasury viz 1 Head Constable and 6 constables. The village is a union and will require two constables to supervise it and the long distance from Kalyandrug to Anantapur viz. 36 miles necessitates a considerable escort. I do consider the Superintendents and District Magistrate's proposal to increase the station strength by four constables moderate and recommend it for sanction.

3. When in Anantapur in February I discussed the matter with the Superintendent and then pointed out to him that if the treasure from Kalyandrug was to be carried by road to Anantapur another station would be necessary between these two places, as 36 miles is too long a distance without a break, especially as the road is a lonely one, with hills at one part of it, affords a ready cover to criminals. The Superintendent now proposes to open a station at Uttmakur which is 18 miles from Anantapur and Kalyandrug, which will be a half way station between these places. The District Magistrate supports his proposals. The strength of the station should be. 1 Head Constable and 4 constables. and I request the sanction of Government for the opening of this station.

4. On receipt of the sanction of Government I will submit a proposition statement.

I have the honor to be,
Sir,
Your most obedt. Servt.,
