SIR,

The Sub Registrar's office at Tirunelore in the Tanjore District is held in a building constructed according to the design approved in G.O. Judicial dated 25 January 1881, No. 112, under the sanction conveyed in G.O. dated 14th September 1881, No. 2263 W. The records of the office are now preserved in 9 almira's and the space in the record-room which measures only 24⁷/₈ feet is insufficient to contain all the almira's. The establishment of the office consists of 6 clerks, while the space reserved in the building for the clerks is barely sufficient to accommodate 4 of them. The other 2 clerks are at present accommodated in front of the Sub Registrar's seat to the great inconvenience of the Sub Registrar and the large number of people who

who resort to the office for getting their documents
registered.

2. The Tiruvalore Sub Registrar's office is one of the important offices in the Tanjore District and the surplus of income over expenditure in the past 3 years is noted in the margin. The District Registrar reports that a piece of vacant Government land is available adjacent to the office for extending the present building.

*1892-93.	Rs 4408.
1893-94	Rs 2849.
1894-95	Rs 3630.

3. In these circumstances I have the honour to request that the Government may be pleased to issue orders for plans and estimates being prepared for extending the building at Tirunavore.

I have the honour to be,

Rev.

your most obedient servant

Shri Ramana K. Narayana
Inspector General of Registration
