To

His Excellency, The Right Honorable,

The Governor in Council

Fort Saint George
Madras

The humble Memorial of Paramaswami Pillai,
late 2nd class Constable No 217 of Police
station, Ambasamudram Taluk,
Tinnevely District

Most respectfully sheweth:-

1 That with all manner of humility and
loyal submission, the Memorialist most humbly
begs to appeal against the order of the
Inspector General of Police dated 21st Jan
1894 confirming the order of dismissal
passed on him by the Superintendent of
Police Tinnevely. (The order is herewith submitted
with four enclosures)

2 The Memorialist is charged with
having been absent at 6.20 P.M. on 23.9.94
from Vallamkudi tannak when the Super-
tendent of Police arrived there on his
way to Ambasamudram & dismissed
from

imputed to him as his right-officer not
affiliated to him

from his post on that account (vide his order herein enclosed)

3 The Memorialist begs to submit that he should attend to duty in the day time at the Poojara-multhi outpost and that he got his ticket at 5.30 P.M. as usual on the 23rd September at the said outpost to proceed to Vallankali-tannal for night patrol. He attended the tannal at 6 P.M. As he suffered from slight diarrhoea, he had been to answer calls of nature from 6 P.M. to 15 minutes past 6. As the disease was of a slight nature, he did not inform it to Veerava-multhi petty officer and apply for a pass port.

4 When the Superintendent asked him to give a written defence accounting for his absence from the tannal, he questioned him that he visited the tannal at 6 P.M. and the Memorialist was not to be found there. But in his order of dismissal, the Superintendent states that he arrived at the tannal at 6.20 P.M. The Superintendent further observes that no evidence is produced to prove his disease, it is to possible for the Memorialist to produce

produce any witness in a desert-like place to prove that he was absent to obey calls of nature. After his return he was present patrolling the road throughout the night and Kallada-multhi-tannal Petty officer No. 153 has verified it by signing the watch ticket when he came & warned about the night patrol.

5 In these circumstances the order of dismissal passed against the Memorialist is quite unjust & too severe.

6 The Memorialist was enlisted in the Police on 19-3-90 and the enclosed defaulters sheet will show that the black marks given to him are so slight that they have been cancelled then & there.

7 The Memorialist was employed as Constable in Ambasamudram station when Mr. Subramania Pillai was the Station House Officer. The Station House Officer stole the mangoes from the forest in the taluk catchment at Ambasamudram through his cart driver. When the forest servant complained of it to the Police, the Head Constable intervened

was dismissed & the slight offence was imputed to him as he was the only one who was present at the time.

the crime as No 59 of 1892 in the Crime Register
and applied for the sanction of the District
Superintendent to prosecute the Memoriabit
and 3 other Constables Nos 525, 566 &
655 as if they committed the theft of
mangoes. The offence is said to have
occurred on 3-4-92 and reported to the
Police on 9. Idem. The Superintendent of
Police inspected the scene of crime, made
local enquiry & found by the evidence of the
Sahib Sheristadar, the Sahib Rao &
that the Head Constable has committed the
theft in question. He verbally informed
him while in the station that he would
prosecute him both for fabricating false
charges against the Constables & for com-
mitting theft & went to the halting bungalow
near the river side. But the Head Constable
went to him in the evening and gained his
favor. He therefore neither directed the
Head Constable to be prosecuted for the
two offences nor otherwise punished him.

The Memoriabit and the other
Constables having proved the mango theft
against the Head Constable, the latter
caused a forest tree theft case to

to be wrongly brought against the Memoriabit
& got him fined 300 for the same. The
defaulter sheet will show that the punishment
was inflicted on 11-10-92 which was
some months subsequent to the disposal
of the mango theft case alluded to above.
In the same way the four black marks
that are given to the Memoriabit sub-
sequent to that date at distant inter-
vals are due to the malice of the said Head
Constable rather than any actual blame
against the former. Further the Memoriabit
has not been charged for the same and
sentenced to imprisonment as wrongly re-
corded in the Superintendent's minute.
If he had been punished with imprison-
ment, it would have been entered in the
defaulter sheet.

9 The Head Constable further got him
transferred by enmity to different station
after the said occurrence. The Memoriabit
was dismissed by the slight offence now
imputed to him as he is other-
wise innocent.

Herewith submitted with four enclosures)

2 The Memoriabit is charged with

them

The Superintendent of Police
replied the Constable Rs 5-25 through
only for his having applied for copy of
order in the mango theft case with the
memorandum for slight neglect of duty.
In the mabeii was represented in appeal
the Dy Inspector General of Police, that
he ordered his restoration with back
pay.

This Memorandum has also been dis-
missed by the same mabeii; and if his
absence from the Larnal for 15 minutes
amounts to any blame, he may be punished
with a black mark or two annas fine.
It does not deserve dismissal. The
Memorandum has not explained the above
mabeii either to the Dy Inspector General or
Inspector General of Police through fear.

In these circumstances the memo-
randum most humbly prays that Your Excellency
Council will be graciously pleased
send for the records of the case & on
it & on this action to order the restoration
constables having been sent with back
pay against the bad Constable, the loss

and a forest tree theft case

the memorandum shall now pray.

CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,

FROM

INSPECTOR-GENERAL OF POLICE,

TO

THE Chief Secretary
to Government,

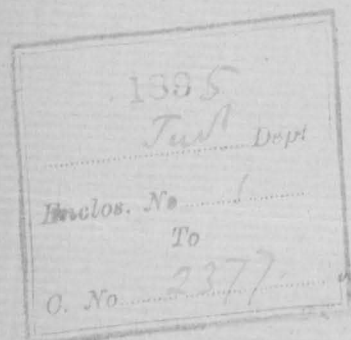

Oshtamand.

SIR,

Enclosures.

I have the honor to submit, for the orders of Government, an appeal from one Paramasivan, late Constable No 217 of Tinnevely, who was dismissed from the force by the Superintendent in his order, dated 29th September 1894.

2. The facts, as stated in the Superintendent's minute are these. Mr. Stevenson, on his way to Ambasamadram, arrived at Vellankali Tannah, a very important outpost, at 6.20 p.m. and found no constable present there. The memorialist should have been there at the time. His excuse is that he did come to the place about 6 p.m. on that day, but that as he had dysentery and pain in his stomach he had left the

real to me that he had to go to a distant
it for this as there is no water near the
Tannah. Mr Leggatt in reporting on his
appeal said that there is a well close to the
Tannah used by the constables and that
there was no reason whatever why the man
should have gone a long distance away.

The memorialist's defaulters sheet
shows that he has been continually punish-
ed for absence from duty, and I did not
believe his story about his dysentery as,
had it been true, the man would have
asked for leave and not gone on duty.
Neglect of road patrol is a constant fault
and must be severely dealt with. In this
case the man's previous history shows
him to be a persistent shirker. Probably
this road patrol had been continually
neglected.

The story the memorialist now tells
of enmity between him and the Head Constable
he did not tell me in his appeal. It does
not seem worth considering. I have no
recommendation to make on the petitioner's
behalf.

I have the honor to be,
Sir,

Your most obedt. Servt.
