These papers are dealt with in Jud. at the special request of Mr. Butterworth. please see his note in Fo. of 28.11.94 No 1018/9. They are routine & do not give much trouble but Jud. does deals with the annual returns of Arms & Ammunition and Pol. is not concerned with them, it. I save copying & inter-communication & facilitate referencing of all the papers are kept in one a single dept. Pol. will deal with the indents if you think it better but there will be any gain in going back
