These papers are dealt with in Ind. at the special request of Mr. Buttersworth. please see his note in G.O. of 28. 11. 94 No 1018/9. They are routine & do not give much trouble but Ind. deals with the annual returns of Arms & Ammunition and Pr. is not concerned with them. It saves copying & inter-communication & facilitates referencing of all the papers are kept in one a single depot. Pr. will deal with the incidents if you think it better but there will be any gain in going back

From

J. Moore Esquire.
POLITICAL AGENT FOR PUDUKOTA,

TRICHINOPOLY.

To

THE CHIEF SECRETARY TO GOVERNMENT,
POLITICAL DEPARTMENT,

MADRAS.

SIR

I have the honor to
transmit in duplicate an indent
for ammunition required for the
use of the military department
of the Pudukkottai State and
to inform you that due measures
have been taken for satisfying
myself, as far as possible, that
the stores which have been replaced
have been actually expended. The
present form of indent, which
has been adopted at my suggestion,
deals fully and completely with
the information required before
the sanction is accorded thereto. The

present indent mentions 10th July 73, as
 the date of the last indent, and the
 quantity supplied in compliance
 therewith was 1200 Blank cartridges
 and 1500 friction tubes for guns, and
 after the expenditure given in Column
 4 of the indent, the stock on hand
 is 4400 Ball cartridges, 4800 percussion
 caps for carbine and 171 friction tubes
 for guns. Special arrangements have
 been made with the Diwan of
 Pudukkottai for the maintenance of
 correct Registers showing the receipt,
 and expenditure and Balance on hand
 of every description of ammunition
 exported into the State for military
 purposes.

I have the honour to,
 Sir,
 Your most obedient servant
