To

The Director of Public Instruction,

Sir,

I have the honour to submit for the favour
of the necessary action the enclosed Resolution N^o V
passed by the Visiting Committee at its meeting
held on 30th March 1895.

2. The Committee recommends the discharge
from this School of Pupil Rangaswami Mudali,
N^o 293, on the ground that he is suffering
from epilepsy. The boy was admitted here
on the 12th November 1894 from the Salem
Jail, and since that date he has had
no less than 20 fits which have latterly
developed into genuine epileptic ones, and
increased in severity. He was not a bright
boy, and he has now a vacant look
and is dull of intellect, his intona-

is high pitched and slightly nasal, although the state of his bodily health is good. There is no use of retaining the boy in this school as he cannot benefit by the training given here. I concur with the Committee that he be removed from this school. As the boy's judicial term of imprisonment does not expire until the 1st October 1895, I beg to suggest that the sanction of Government be sought for the transfer of the boy back to the Salem Central Jail to undergo the residue of his sentence under Section 11(b) of Act V of 1876.

3. The boy was sentenced to one year's rigorous imprisonment on the 2nd October 1894 by the Head Quarter Deputy Magistrate of Salem for the offence of theft by an old offender under ^{Sections} 379 and 45. I. P. C.

I have the honour to be,
Sir,
