The pet. states as follows:-

A Sevakandan executed a bond, affixed his mark to it, took it to the Registrar's office & affixed his mark after Registration also. A week after the above Sevakandan came to the pet., told him that he wanted to execute another bond and said that he knew to write. Seeing that while registering the former bond he affirmed that he was ignorant of writing and accordingly affixed his mark only, the pet. took a statement from the above Sevakandan re: the above discrepancy in the presence of witnesses and sent it to the Tash for enquiry. But that officer was silent in the matter. When in the Registrar's office the verification was made on the transfer appo-
