I have the honor to inform you that the marginally
 noted Sub Divisional Magistrates may be authorized
 to take down the evidence in the English language
 in their own hand.

These Magistrates know English sufficiently well
 and there is no reason why they should not be
 invested with the power. It facilitates work in
 their own Courts and helps appellate Courts a
 great deal. On this ground I am also honor
 submitting recommendation to grant the power
 to some of the subordinate Magistrates who
 sufficiently acquainted with English.

I have the honor
