Note for H.M.

This is marked for "H.M." as I can find no sanction to the proposal to make permanent the temporary increase in strength of the Henmini. Policeparam state sanctioned in G.O. 1084. This is the first time that the S.S. has definitely asked that the increase should be made permanent. I am not quite certain whether H.M. approves of the change.

18/5/95

Just leave it on its present footing of 1 H. & 4 C. param: & 9 C. temp for 2 years.

The S.S. has not replied to the former remarks about the cost of the station shorts. What the world is the Police Dept. about the fines? Henry has up.
