I, Surgeon Doctor J. F. Fitzpatrick M.D.
medical officer Central Jail Cincinnati, hereby
certify that convict H. B. Jones No 587 is in my
opinion dangerously ill suffering from chronic
dyspepsia, wasting, debility, anaemia, mental
depression and lately severe pain along the
spine which almost incapacitates him from
moving. He attributes the pain to an injury
he received some years ago. His illness has not
been caused or aggravated by any acts of the
convict in order to procure release & I sincerely
declare that in my opinion he will certainly
die very shortly if he remains in confinement
but that he will have a fair chance
of recovery if he is released.
