With ref. to his letter of
24 Oct 94, No. 6152, the
Sg. of Prisons is requested
to report the period within
which Nsa Sha Saw's disease
is likely to prove fatal.
If he will probably die
soon, his retention in jail
will perhaps be the most
humane course.

CHIEF SECRETARY TO GOVERNMENT,

SIR,

Under Rule 592 A of the Tail Code
I have the honour to submit the margin-
ally noted papers relating to Convict
No 4479 Agatha Saw, confined in the
Campanore Central Jail.

2. The medical aspect of the case is explained in the Medical Officer's report. The convict is bed-ridden and his disease is stated to be incurable. In ordinary course he will not be released until 1904. He has undergone 7 years' confinement out of 17.

3. In these circumstances it is thought that, if the facts of the case are represented to the Chief Commissioner, he may be pleased to sanction the

Sir,

With reference to your endorsement No. 1147 dt. 14. 11. 94 on Memorandum No. 2157 dt. Fort St. George 6 Nov/94 Tsd. regarding the illness of Convict No. 4479 Nga Tha Saw, I have the honour to inform you that a fatal termination within any short period of time is not apprehended, and that, judging from the chronic nature of the case and its effect on the general health of the patient, I am of opinion, barring unexpected complications, that the man is quite likely to live for a couple of years.
