SUBJECT:

Requesting to issue instructions

covering the amount left to Govt.
in trust by his father's will, may be
sent to him at Madras without delay.

FOR ORDERS.

The amt left for the
College was Rs 1,15,000
I think - Yes, it won't
suffice for him to leave
Rs 1,16,000 - We want
Rs 209-9-0, or whatever
it is, more - But send
Rs 205/5/95 - I hand
over Rs

all above the sum necessary
to safeguard fut.

Note for H.M.

It is submitted that Govt. has no legal
right to insist on the detention of any
of the securities - except to cover the
payment of the advance of Rs 1209-9-0.
This is clearly pointed out in paras.
5 to 7 of the Govt. Secy's opinion.

This proposal of A.V. Jugga Row has
seems unexceptionable; it was written
before he ^{was} ~~could~~ have received E.O.
of 7 May 1895 No. 940. As he only
asks for some of the securities, there is
no need to insist on the previous
payment of the advance made by Govt.
viz Rs 1209-9-0

The following order is proposed.

Order of 27th May 1895 No. 1138
Communicate to the Collector of
Vizagapatam ~~that~~ will be instructed
to arrange for the dispatch to Madras
of the securities requested. amounting
in value to Rs 1,16,000, on production
of the joint receipt required by E.O.
of 7 May 1895 No. 940.

owing over & above the value
of the Prov. Notes (left the J. J.) left
in the hands of J. J.

Per J. J. - Let the J. J. issue -
In the bequest was 1 lakh J. J.
document & Rs 15000 for building,
so that, with Prov. Notes for Rs 16,000,
worth 6 to 7% more, left in our hands,
we are amply secured. The question
now is whether we should not ask the
Govt to pay us the cash as above. But
as we are not, entitled to it
in the law for the period which has elapsed
since the testator's death? Please look
into the law, after issue of the J. J.

Note for H. H.

In his note of the 25th May
last (in B. of 27. May 95, no
1138) H. H. enquired whether
Govt. was entitled to interest
for the ^{by the late Mrs. J. J. J. J.} sum bequeathed for
the foundation of a college
for the period which has elapsed
since the testator's death.

Govt. seems to be clearly
entitled to interest for the
amount from ^{one month after} the date
of the testator's death under
section ¹³¹ of the Probate
& Administration Act,
1881. The paper was not
available ^{for some time} until now &
hence the delay in answering
H. H.'s query.
