READ—the following papers :—

From H. H. O'CONNELL, Esq., Executive Engineer, West Coast Division, to the Superintending Engineer, IV Circle, dated Calicut, 4th March 1895, No. 108 S.E.

In forwarding the enclosed correspondence received from the Superintendent of Police, Malabar, I have the honour to recommend that the Police Department be allowed to occupy the vacant military buildings at Cannanore referred to, as it is better that they should be occupied and kept in repair than allowed to go to ruins. I request that the necessary sanction may be obtained to the occupation of the buildings by the Police.

ENCLOSURE.

From F. ARMITAGE, Esq., Acting Assistant Superintendent of Police, North Malabar, to the Superintendent of Police, Malabar, dated Tellicherry, 18th February 1895, No. 62.

I have the honour to draw your attention to the fact that lines for Nayar constables are badly wanted in Cannanore town station as the nearest Nayar quarters are two and three miles away.

Some of the Nayar constables lately engaged a house near the station and lived together there. The owner is, however, no longer willing to let it to them.

A block of buildings which was formerly used as married quarters for the Royal Artillery lies close to the station. Several of the rooms are now vacant and at times all are unoccupied. Certain constables have, therefore, applied for the use of one of these rooms. The Public Works Department Sub-division officer of Wynaad states that eight sets of rooms are available at a monthly rental of Rs. 2-8-0 each set.

The set consists of two rooms, one 16½ feet by 14 feet and the other 10 feet by 14 feet and a cook room. The men say that they cannot afford more than 4 annas a month each. I think that it is possible that some of these rooms could be secured for the department at a reduced rent and a certain number of men be allowed to occupy each room. The block contains a sergeant's quarters at each end and eight privates' quarters with rooms as above.

I drew attention to this matter in 1892 (my letter No. 127, dated 12th March 1892), and I believe that Mr. Sweet had some correspondence on the subject. With the prospect of the construction of the railway taking place when this block might be taken as quarters for railway servants, I think that another effort might be made to obtain it for this department.

Forwarded to the Executive Engineer, Public Works Department, West Coast Division, with request that he will be kind enough to say whether these buildings might be made over to the Police Department. Even if they are to be handed over to the Railway (perhaps years hence) it may be that there would be no harm in allowing the Police to use them interim.

Return is requested.

23rd February 1895.

(Signed) F. FAWCETT,
Superintendent of Police, Malabar.

No. 109 W.

Submitted to the Chief Engineer, Public Works Department, for favour of orders.

8th March 1895.

(Signed) J. HANNAN,
Suptg. Engineer, IV Circle.

15TH MAY 1895, No. 1166 W., PUBLIC WORKS.

No. 1214 C.

Referred to the Judicial Department for favour of report as to whether the proposal to transfer the buildings in question to the Police Department meets with the approval of the Inspector-General of Police.

22nd March 1895.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Secretary to Govt., P.W.D.

No. 708, Judicial.

Referred to the Inspector-General of Police for report.

FORT ST. GEORGE,
1st April 1895.

(By Order) (Signed) L. DAVIDSON,
Acting Under Secretary.

From M. HAMMICK, Esq., I.C.S., Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 19th April 1895, No. 2274.

With reference to your endorsement, No. 708, dated 1st April 1895, on letter from the Superintending Engineer, IV Circle, herewith returned, I have the honour to state that I thoroughly approve of the occupation of the military buildings at Cannanore by the Police.

No. 925, Judicial.

Transferred to the Public Works Department.

OOTACAMUND,
27th April 1895.

(Signed) L. DAVIDSON,
Acting Under Secretary.

ORDER—dated 15th May 1895, No. 1166 W., Public Works.

The proposal in the Executive Engineer's letter of the 4th March 1895 is sanctioned.
