Sir, In continuation of the late Mr. Grigg's letter Ref. on C. No. 788 of the 22nd March 1895 read in G. O. dated 3rd ultimo No. 691 Judicial, I have the honor to submit herewith a Supplemental Return No. II of Arms and Ammunition imported into Travancore under licenses issued during the half year ending 31st December 1894. It appears that the Dewan has hitherto been showing in his return forwarded to this office, only such imports as were made under permits issued by him during the half year concerned. He has also been in the habit of issuing permits to import arms and ammunition covered by lapsed British export licenses, the result being that the importations in several cases did not appear in the half yearly

returns submitted to Government. I have
however now suggested that the return should
in future show all actual imports under
British export licenses issued during the
half year whether or not his permit was granted
during the same half year and whether or
not the import was made within the half
year during which the license was issued.
No permit will in future be granted for
imports under lapsed British licenses.

I have the honor to be
Sir
Yours most Obedt. Servant
