Sir,

I have the honor to request that the
Government may be pleased to accord their
sanction for the entertainment of an additional
clerk on Rs 10 per mensem and a person Rs 5
per mensem for the office of the President of
the Bench Magistrates Madras Town.

2. The Deputy Magistrate Meher Division
having submitted a proposal for the en-
tertainment of this establishment, my pre-
decessor sent it to the Chairman, Municipal
Council Madras enquiring whether the
Council would be willing to pay for the establish-
ment recommended by the Deputy Magistrate.

3. The Chairman in his letter No: 140 dated 12
February last sent me copy of resolution

No: 21 dated 29th January 1895 of the
Municipal Council (copy enclosed) passed
on the subject of entertaining additional
establishment for the office of the President
of Bench Magistrates and informed me that
the same has been submitted for the confirmation
of Government. The increased cost will thus
be borne by the Municipality.

4. The Bench sits twice a week and on an
average 80 Cases are disposed of at every sitting.
During the past year the Bench disposed of 8948
Cases. All the clerical work is performed at
present by a single clerk on Rs 15 sanctioned
by Government Order No. 2016 dated 26th
October 1892, a moiety of whose pay is contributed
by the Municipality and the other half by
Government.

5. Municipal Charge sheets come in in such
large numbers that the preparation of
processes is delayed for want of hands. Consider-
ing that a portion of the fine levied by the Bench
goes to replenish the Municipal Funds, the
Municipality can well afford to meet the
additional cost involved.

6. During the past year Rs 4593 were
imposed and Rs 4256 Collected under the head of Fines.

7. Under these circumstances I have the honor
to recommend the entertainment of the additional
establishment. A proposition statement in
duplicate accompanies.

2. It is observed from the statement C₂ appended
to the Criminal Justice Report for 1893 that
only 3803 cases were disposed of in the
year by the courts of Bench Magistrates in the
Madura District whereas the S^t. Magistrate
states in para. 4 of his letter that the Madura
Town Bench alone disposed of 8948 cases
during the year. The enormous increase
be explained, if possible

Sir In resubmitting this office letter no. 2 dated 28th March last, recommending the entertainment of an additional establishment for the Court of the Bench of Magistrates, Madura Town, I have the honor to explain with reference to the endorsement no. 810 dated 11th Instant, that the Madura Town Bench alone disposed of 8 cases during the past year, and that the increase in the number of cases disposed of is due to the more stringent working of the relations to Conservancy and to the activity on the part of the Police.
