Enclosure.

Copy of a Communication from the Inspector-General of Tails, Burma, to the Inspector-General of Prisons, Madras, N. 2049/133 dated 27th April 1895:—

With reference to the proceedings of the Government of India in the Home Department N. 10 (Tails)—668—679 dated the 13th December 1894 directing the adoption of an altered system of classification of expenditure, I have the honour to enquire to what extent you have been able to give effect to the orders.

I may mention that the local Accounts Officer in this province informs me that the Comptroller General is of opinion that the orders referred to are applicable only to departmental returns and that beyond the introduction of a new heading "Sanitation charges" no alterations are necessary in the classification of charges hitherto followed by the Financial Department. In my opinion this interpretation of the orders will seriously affect their practical working.

To have to classify charges in one way when preparing abstracts for presentation to the Treasury and in another

another way when compiling statistics of expenditure for this office will invest the operation of account-keeping with an amount of uncertainty that will not contribute to accuracy or good work. Such a procedure will, moreover, tend to increase the difficulty now often enough experienced in attempting to reconcile variations between departmental figures and the figures that appear in the provincial accounts.

If the difficulty I refer to has been felt by you, I shall be glad to learn how it has been overcome. If any representation to Government has been made, I shall be glad to know as it will then be sufficient to wait for the result of the same.

SIR,

Enclosures.

In continuation of my Letter No. 1762 of 28th March 95, I have the honor to submit a copy of a Letter No. 2049/133 of 27th April 95, which has been received from the Inspector-General of Jails, Burma, on the subject on which the Government has been addressed. 2. It will be seen that the Inspector-General of that Province has formed a similar view of the effects of the orders issued by the Accounts Department as I have ventured to lay before Government, and in view of Brigade-Surgeon Lieut-Colonel Sinclair's long experience as the head of the Burma Jail Department, I think that a perusal of his Letter will lend weight to my representation.

I have the honor to be,

Sir,

Your most obedient Servant,

R. G. Cardew
Inspector-General of Jails.
