With reference to Government Order, No. 915W, dated the 22nd April 1845, appointing Mr. J. A. A. Turner, M. I. M. C., to be Inspector under Steam Boilers and Fire Movers Act, I have the honour to enquire whether the creation of the appointment has been sanctioned by the Financial Department of the Local Government under Article 284 of the Civil Account Code and whether the sanction of the Secretary of State has been applied for under article 277.

2. I take this opportunity of pointing out that, if Mr. Turner is not a Native of India, the sanction of the Government of India should, under Article 773(a), be obtained for the appointment to the post, unless the appointment in question can be considered as belonging to the Public Works or Police Department.

I beg also to enquire whether the appointment,
if sanctioned, will be a gazetted appointment.

I have the honour to be,

With reference to P.W.D. C. No. 2562/95.

From the Judl. Dept. of 22 May 95.

No. 332 from the Sany. Engineer.

ORDERS.

In para. 2 of G.O. of 25 Jan'y. 1895, No. 174, Tudd, the Govt., while publishing the necessary notice under secs. 1(2) & 3(2) of the Madras Steam-boilers & Prime-movers Act, 1893, said, with regard to the app't of Inspectors under sec. 3 of the Act, that it has come to the conclusion that there will not be enough work to occupy the full time of any one such officer & therefore that the Boilers Inspr. should also be entrusted with the duty of the periodical inspection of the engines & boilers of the several municipal water-works. For the combined duties a salary of Rs 250-10-300 per m. (travelling allowance for journeys to inspect engines & boilers) was considered to be sufficient & that the municipalities being by the arrangement should be required to contribute towards the expenditure. and also stated then that further Rs 3000 + Rs 1

will issue in the L & M. Dept.

At the same time all the appls. received for the Inspector's app't were transferred to the Chief Engineer with instructions that that officer should ~~advise~~ advise in the Gazette & in the leading newspapers stating the terms offered & nominate a person, in consultation with the Sanitary Engineer, for appointment by Govt.

The Chief Engineer accordingly nominated Mr. J. A. A. Turner, M.E. M.S. the Inspector under the Act & published the notice app't. in the Fort St George Gazette - vide P.W. for ^{reference in} ~~reference in~~ 10 May '95, n. 983, Tudd.

The Accountant General in his letter of May '95 n. 1238 addressed to the P.W.D. asks
1) whether the creation of the app't ^{of boiler Inspr.} has been sanctioned by the Finl. Dept. of the local Govt. under art. 284 of the C.A. Code;
2) whether the sanction of the Secy. of State has been applied for under art. 277, &
whether the app't, if sanctioned, will be a settled appointment.

Mr. Leo points out that if Mr. Turner is ^{of the} ~~of the~~ fine of Laria, the sanction of the Govt. ^{of the} ~~of the~~ art. 773(a), he obtained ^{is to} ~~is to~~ the post, unless ~~the question~~ the ^{is to} ~~is to~~ placed as belonging to the P.W. or ^{transferred} ~~transferred~~ this letter to the

* - No orders have yet been com.

FOR ORDERS.

* It was also settled then that as much as the Inspr. will have to work under the San'y. Engineer so far as regards much. Engineer & boiler, he should be subordinate to the San'y. Eng. in his position as Boiler Inspr. also.

Finanl. Dept. for disposal with the remark that the app't of Boilers Inspr. has been made in the P.W.D. under the authority of S. 725 Jan'y. '95 n. 174 Tudd. para. 2. but the pay of the officer will fall against the Civil Budget, that the Boilers Inspr. ~~is not~~ cannot be said to be in the P.W.D. as he is ^{the} directly subordinate to the San'y. Eng. & that as Mr. Turner is not a native of India the sanction of the Secy. of State will be necessary, not only to the creation of this post but also to his nomination to it. Their argument to transfer the paper to Finl. Dept. was that the P.W.D. has no control, either financial or administrative.

The Finl. has now in turn transferred to the Judicial Dept. It is therefore now for consideration whether these objections raised by the Acct. Genl. should be dealt with in the Tudd. Dept. or forwarded to L & M Dept. in continuation of office n. of 3rd April '95, n. 733 in which the original notes of H.M.S. & H.E. on the subject were forwarded to that Dept. for the issue of necessary orders as to the distribution of cost as ordered by H.M.S.

In this connection it may be noted that the Finl. Dept. provided in the Miscellaneous budget for 1895-96, a sum of Rs 3000 (2000 fees for steam-boiler inspection + Rs 1000 for the

of the Civil Account Code

Sir
I am directed to solicit that
sanction may be accorded to the
creation of the appointment of a
Boiler Inspector for this Presidency
on a salary of Rs 250 - 10 - 300.
2. I am to say that the appointment
is recommended by the passing of the
Madras Steam Boilers and Pressure Vessels
Act 1895, Section 3 of which empowers
the local Govt. to appoint inspectors.
The Act has as yet only been extended
to the City of Madras, but the Govt. having
come to the conclusion that there would not
be enough work in the so small an
area to occupy the full time of one
inspecting officer, has considered it desirable
to entrust him also with the duty
of the periodical inspection of the

pipes and boilers of the several
municipal waterworks.
to the combined duties of the office
it is considered impossible to obtain
a properly qualified man on a lower
salary than that proposed: towards
the expenditure on account of which the
municipalities benefited by the ap-
pointment will be required to
contribute

3. I am to say that the necessity for
the sanction for which application is
now made was in the first instance
overlooked, & that in consequence of
this mistake an officer has already
been appointed to the post. For this
reason I am to solicit that very
early orders may be passed on this
reference

with copy of E.O. 725-1.95 to 174/1924

Note.

1. Strictly stating this reference should
issue in the P.W.D. with ref. to para 7
of E.O. 725-1.95 to 174 - but in as much
as it should have been considered by Jnd.
in the first instance, I have drafted this letter.
2. As regards the sanction required for the
appointment of an European (Art. 743),
a letter must be written in the P.W.D.
which now appoints Mr. Lunn to the
post, though it might actually issue in
local Municipal.
