To

THE

CHIEF SECRETARY TO GOVERNMENT,

SIR,

I have the honour to report the following matter for the orders of Government.

Enclosure.

2. In an order N^o 1409, dated 20th March 1893, the late Surgeon General, Surgeon Major General Dr. Fabek, appointed one V. A. Dharmadahan Pillai, Assistant Tailor, 1st Grade, District Tail, Benhaupore, to act as a Clerk in his office vice one N. Doraiswami on sick leave. My consent to this appointment had been previously obtained, and I gave V. A. Dharmadahan Pillai 3 months' leave without pay to take up the appointment. Meantime I took advantage of the vacancy thus created at the Benhaupore District Tail to provide for the Assistant Tailor, who was otherwise thrown out of employ by the closing of the District Tail, Kurnool.

3. At the expiry of 3 months, I addressed the Surgeon General enquiring whether Dharmadahan Pillai had been confirmed, and in a Letter N^o 4941, dated 13th July 1893 I was informed in reply that he would be confirmed in the Surgeon General's office with effect from the 1st of that month. Two and half months subsequently the Surgeon General wrote stating that the

Chak

clerk in whose vacancy Dharmanadhan had been confirmed had made an appeal to Government and requesting that Dharmanadhan Pillai might be considered to be still acting. His attention was then drawn to G.O. 22nd September 1893 No 1320 Financial which prohibits officers from being granted more than 3 months' leave to take up acting appointments in other offices. It was also stated that, even apart from this prohibition, it was impossible to extend Dharmanadhan Pillai's lien on his appointment in the Tail Department beyond 11th July 1893, because, if the Assistant Tailor, Kurnool District Tail, were not confirmed ^{in the Berhampore District Tail} by that date, he would cease to have any permanent appointment in Government service and would lose both past service and all increments earned in his grade. The Surgeon General was, therefore, informed that Dharmanadhan Pillai's lien on his appointment in the Tail Department must be held to have terminated on 11th July 1893.

4. The result of the appeal to Government made by the clerk in the Surgeon General's Office was that his removal was reversed and he was granted 2 years' sick leave. Dharmanadhan Pillai was thus left without an appointment. On the 27th November 1893 the Surgeon General forwarded to me a request from Dharmanadhan Pillai to be allowed to revert to his appointment in the Tail Department, which was of course impossible. Just at that time, however, a vacancy in the post of Assistant Tailor, 2nd grade, Rajahmundry Central Tail, occurred, and I offered to provide for Dharmanadhan Pillai in this vacancy, which offer was accepted by him and the Surgeon General. He was relieved of his duties in the Surgeon General's office on the 11th December 1893 and he joined his appointment at the Rajahmundry Central Tail on the 23 December 1893.

5. By these transactions Dharmanadhan Pillai has incurred a break in his service from the 11th July to the 23rd Decr 1893. He has also lost the increments which he had hitherto earned in the grade of Assistant Tailor, 2nd grade and has reverted from Rs 39 per mensem to Rs 35. He was, it is believed, in no way to blame for the circumstances, which led to the appointment given him in the Surgeon General's Office being reversed, and he has suffered considerable hardship from causes over which he had no control. It is impossible to relieve him from the loss of pay, but in order to save the break in his service, I solicit the sanction of Government to appoint him with retrospective effect, to be 3rd Class Warder of the Mangalore District Tail during the period between the 11th July and 23rd Decr 93, at the same time granting him leave without pay for that period. There was a vacancy in the Establishment of the Mangalore District Tail between these dates. No additional expense to the State is involved. If the Government is pleased to sanction this concession, I beg further to recommend that the joining time ordinarily admissible to him for the journey between Madras and Rajahmundry in December 1893 may be extended by 2 days under article 199 Civil Service Regulations. Dharmanadhan Pillai actually reached Rajahmundry on the 18th Decr but his predecessor was detained, making over charge of stock until the 23rd Decr, and Dharmanadhan Pillai's joining time thus came to be exceeded by two days. Neither of the recommendations thus made are, it is believed, contrary to any rule of the Financial Department, and in view of the circumstances of the case I beg to submit them for the favourable consideration of His Excellency the Governor in Council.

I have the honour to be,
Sir,
Your most obedient servant
R. J. Cardew

From

To

THE Chief Secretary to Government,
Judicial Department.

SIR,

With reference to your Under
Secretary's Endorsement ³²⁰ N^o 364 dated
the 8th February 1895 forwarding to
me for remarks a letter from the
Inspector General of Prisons N^o 864 dated
8th February 1895, I have the honour to
state that there was no vacancy for
a third class warder in the Mangalore
District Jail between the 11th July and
23rd December 1893 to admit of the
appointment of V. Dharmanatham
Pillai as third class warder with
retrospective effect.

2. I would suggest that the assistant
Jailer

jailor who was thrown out of employ
 by the closing of the District Jail at
 Kurnool be regarded as acting instead
 of substantive assistant jailor from the
 date of the abolition of the jail until
 the 23^d December 1893, the date on which
 Dharmanatham Pillai took charge of the
 appointment of 2^d grade Assistant Jailor
 in the Rajahmundry Central Jail. This
 arrangement would have the effect of
 preserving Dharmanatham Pillai's lien
 on his appointment in the Jail Depart-
 ment while his locum tenens, having lost
 his substantive appointment owing to its
abolition, would not lose his past service
 3. Under the circumstances stated
 by the Inspector General, the extension
 of joining time by 2 days to Dharmanatham
 Pillai can be sanctioned under Article
 199 of the Civil Service Regulations.

CHIEF SECRETARY TO GOVERNMENT,

SIR,

/ Enclosure.

In returning with the paper received under Mr. Davidson's Memorandum No. 536, dated 11th March 1895, I have the honour to state that, as it was not apparent from the Accountant General's Letter No. 513, dated 5th March 1895, what pay would be drawn by the Assistant Tailor of the late Kurnool District Tail during the periods 11th July to 23rd December 1893 and subsequent to 23rd December 1893, if the course recommended by the Accountant General were adopted, a reference was made to that officer on the 20th March 1895 on the subject, and in a Letter No. 1215 dated 14th May 1895 he has replied that under Articles

161 (ii) and 170-171 Civil Service Regulations,
 the pay of the Assistant Tailor in
 question will not be injuriously af-
 fected by the adoption of the As-
 sistant General's suggestion. In
 these circumstances, I propose, with
 the approval of Government, to adopt
 that suggestion, which it seems to
 be within my powers to carry out,
 and would, accordingly, beg only
 that the Government may be pleased
 to extend Dhanuasham Pillai's
 joining time by 2 days, under article
 199 Civil Service Regulations for the
 reasons stated in paragraph 5 of
 my Letter No 864, dated 8th February 1895.
