SIR

I regret to have to report the occurrence, on the 15th Instant, of a large fire at Meppadi in Kottapadi Ambam Wynaad Taluk, in which the whole bazaar with the exception of two or three shops was completely burnt down. From information received the fire appears to have been quite accidental. It would appear that a washerman who was living in the bazaar, put some cloths into a vessel to boil and that he went to sleep without putting out the fire. The water having evaporated, the cloths caught fire and the fire spread to the thatched roof of the house and thence spread to other

their houses.

There was no loss of life, but property worth Rs 12,000 is reported to have been lost, the greatest sufferer being one Venkita Rao - a tavern licensee

I have the honor to be
Sir

Your most obedient Servant
