CHIEF SECRETARY TO GOVERNMENT,

Chennai

Dated Madras, 17 April 1895.

SIR,

The Madras Sub-Registry Office in the district of Madras is held in a suitably rented building on the Mount Road, for which a rent of Rs 30 is paid per mensem. As the office has been located in this building for the past 15 years, the records have accumulated to a great extent and take up the greater portion of the limited space available; and the Sub-registry and his establishment, which consists of 5 clerks, and the parties attending the office are in consequence put to much inconvenience for want of sufficient accommodation. Moreover, the building is unsuited for the purposes of an office, being insecure on every side and ill-ventilated. It is now in a state of disrepair, the owner not having taken steps to put it in order though.

repeatedly called upon to do so by the Sub. regis-
 tras. It is not possible to get a better building for
 the accommoda^m of the Sub. registry office, unless
 very high rent be paid for it, Mount Road being
 a place of extensive business in Madras; and it
 is not possible also to acquire for a reasonable
 price a site there for constructing a building for
 the office. In these circumstances, the only alter-
 native that suggests itself to me is to construct a
 building for the Sub. registration on a site near the
 Police Station in the Government House Gardens
 on the road leading to the Chepauk Palace if a
 site can be had in this locality. As a building
 on the site indicated in the plan prescribed in G.O. dated
 18th May 1891, No. 520 W. will not meet the require-
 ments of an office situated in the Presidency
 Town, like the Mount Road office, it will be neces-
 sary to provide for it larger accommodation
 than that shown in the plan, consisting of one
 room for the records, another for the Sub. regis-
 tras, a third for the clerks and a fourth for the
 parties waiting at the office. I have accordingly
 the honor to request that Government may be
 pleased to sanction the construction of a
 terraced building of the kind referred to
 above for the Sub. registry office on the above
 mentioned site. The Mount Road office is se-
 cond only to the Madras Registrar's Office
 in

in importance and is annually yielding a
 large surplus to Government, as will be seen from
 the figures given below.

	Registrations No.	Receipts Rs.	Expenditure Rs.	Surplus. Rs.
1891-92	3255	8882	3478	5404
1892-93	2528	6729	3318	3411
1893-94	2539	7406	3270	4136

The decrease in registrations and receipts in
 1892-93 and 1893-94 was due to the transfer in
 1891 of some villages comprised in the Mount Road
 Sub. district to the newly opened office at Sowcar
 -pet.

I have the honor to be

Sir,

Your most obedient servant

Dr. M. S. Srinivasan
 Inspector General of Registration.

NOTE FOR THE CHIEF SECRETARY

(Ref. C's note of 13th inst.)

It was then referred to H.E.

through the Private Secy: vide notes
cover of go of 23rd March 1889, no. 538
marked with red tape. But as the
Secretary to H.E. ^{not the P.S. as before,} is now in
of the contract allowance of H.E.'s house
& tour-expenses, under go. 18 Decr '91,
1332 Finl, & as similar correspond
in the P.W.D. is addressed to the
Secy (vide go. 30 Jan'y 94, no. 258,
Pub. works), perhaps the proposed
reference to the Mily. Secy may
stand?

I don't see what connection this
matter has with the contract
allowance of the Mully Secy.

file is a home of similar

NOTE FOR THE UNDER SECRETARY.

With reference to the C's for the remarks
attention is invited to P.W.D. 153 W &
2665 H now added to the file. From which
26.7.92
it will be seen that the Mily Secy now
deals with these matters. It appears this change
is based on the Finl. go. of Decr '91 trans-
ferring the charge of the contract allowance
from the P.S. to the Mily Secy.
I understand that there is also a mis-
go. (+20 not here in the only office) in the P.W.D.
directing that all such commos -
relating to affairs of Govt. houses
should be addressed to the Mily Secy.
