RESOLUTION.

In the Resolution of the 21st December 1893, the Government of India prescribed for general adoption a new form of Statement XVII (showing mortality among convicts according to the length of original sentences) to be appended to the Annual Jail Reports. It has recently been pointed out that it is not clear which columns should contain information regarding sentences of exactly six months, one year, etc., and it has been suggested, with the object of removing obscurity, that the following changes should be made in the headings of columns 3—6:—

New heading.

- Column 3, "Not exceeding six months."
" 4, "Above six months and not exceeding one year."
" 5, "Above one year and not exceeding three years."
" 6, "Above three years and not exceeding seven years."

These amendments are approved by the Government of India.

2. The headings in Statement XVII resemble those in Statement XVIII and the following alterations are directed for similar reasons to be made in the headings of the columns of the latter statement:—

New heading.

- Column 3, "Not exceeding six months in jail."
" 4, "Above six months and not exceeding one year."
" 5, "Above one year and not exceeding two years."
" 6, "Above two years and not exceeding three years."
" 7, "Above three years and not exceeding seven years."

3. The changes prescribed above should be observed in the preparation of the Jail Reports for the current year.

ORDER.—Ordered, that a copy of this Resolution be forwarded to all Local Governments and Administrations for information and guidance.
